
SPONSOR PROGRAM PACKAGES

Sponsor Program Packages

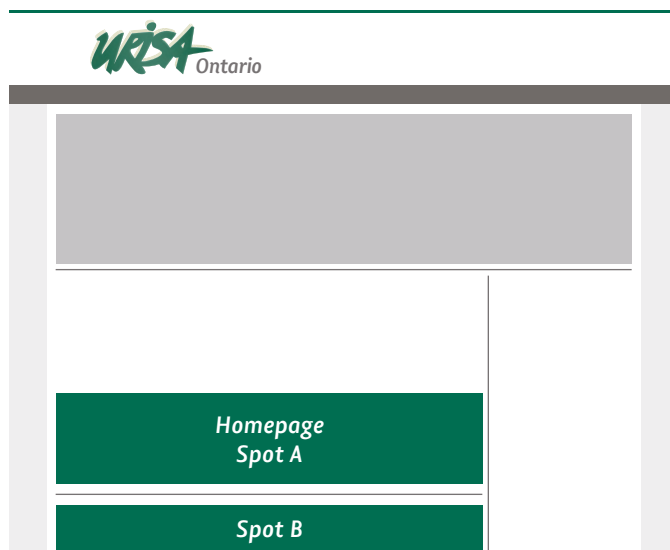

Sponsorship Opportunities

URISA Ontario events have been extremely successful over the years thanks in part to many incredibly supportive geospatial focused sponsors coming from every facet of the information and technology landscape. These package options will streamline your support and save you up to 25% over items that are individually selected throughout the year.

	Platinum	Gold	Silver
Compare sponsorship levels	\$3500	\$2500	\$1500

Member Supporting Organizations

URISA Ontario is currently the most active GIS related association in Ontario, with a strong base of members and event attendees. Promoting education and networking amongst the GIS community with at least 4 program related events per year. We also collaborate and support related events with other associations such as AMCTO, AOLS, MISA and URISA International.
